

SPIRITUAL REFLECTIONS

[Pastor Gene Henderson with edits by Pastor Pier]

Everyone makes mistakes – even presidents. During the run up to the presidential campaign before he was unceremoniously removed as the candidate for the Democrats, Joe Biden called those who followed President Trump “*garbage*”. In spite of his incompetent press secretary trying to correct the mistake, President Trump turned it all into jokes about his followers being garbage. He showed up for a rally in a garbage suit and had the entire 25,000 people laughing.

Aside from taking advantage of the media, President Trump has demonstrated recently that he is not the fascistic nihilist the press keeps calling him. Even then, Kamala Harris tried to link him to CEO’s and billionaires. What hypocrisy, while all along she was cohorting with celebrities and billionaires. After this, Trump showed up at a McDonald’s and worked a fry shift to demonstrate his connection with and concern for fast food workers. He did both the McDonald’s trick and the garbage shtick while laughing at himself and his opponent. *So, what’s the point you may ask?*

Far leftists have not been quiet. In fact, they have demonstrated a propensity for violence in both speech and action. President Trump won the election decisively and now the left and main stream media has gone ballistic and are actively planning with the Democrats how they can sabotage the next four years. Our nation has become a powder keg.

I respect the freedom to choose and the responsibility to vote. But the leadership of President Obama and President Biden has left our nation in an absolute mess. God intervened so Kamala Harris could not make everything worse. Now it is time to pray harder and trust God and His Word more. God is in control and Jesus is returning for His church soon. In that we rejoice and not it what is happening in our world. 1 Timothy 2:1-4:

I urge you, first of all, to pray for all people. Ask God to help them; intercede on their behalf, and give thanks for them. Pray this way for kings and all who are in authority so that we can live peaceful and quiet lives marked by godliness and dignity. This is good and pleases God our Savior, who wants everyone to be saved and to understand the truth.

Welcome!
